CHAIR'S WELCOME

A very warm welcome to the Ringwood Community Hub for this evening's Hants Senior Cup Round 2 tie against AFC Stoneham.

We welcome our visitors' players, committee members, and spectators, together with match officials, referee **William Wright,** and his assistants **Steben Harford**, and **Colin Hopkins.**

There can be no underestimating the challenge facing our young side this evening.

Our visitors arrive as one of the standout success stories of last season. Having secured promotion from the Wessex Premier League to the Isthmian South Central Division, they did so in emphatic fashion, finishing 14 points clear at the top of the table. Their campaign did not stop there, as they also lifted the Russell Cotes Cup and Southampton Senior Cup before completing a remarkable season by winning the FA Vase.

It was an extraordinary achievement, and I would like to offer my congratulations to everyone connected with the club while wishing them every success at Step 4.

As underdogs tonight, however, we only need to look at last weekend's FA Cup First Round results for inspiration. Football has a wonderful habit of defying expectations. Dorset side Wimborne Town produced one of the competition's biggest shocks with a superb 2-0 victory over League Two's Crawley Town, while fellow seventh-tier outfit Guiseley overcame National League side Sutton United with a 95th minute winner.

Those results are a reminder that anything is possible once the whistle blows. Could there be another upset under the lights this evening?

Enjoy the game
Phil

MANAGER'S NOTES

We've had a difficult few games recently. Our strong run of form was always going to level out at some point; that's the nature of football, and it happens to every team.

Injuries and player availability, particularly across our backline, have undoubtedly had an impact. However, we have good depth within the squad and have recruited well to help us navigate periods like this. It may take a few games for us to readjust and adapt, but every team faces similar challenges throughout a season, and I'm confident we'll find the right answers at the right time.

The challenge I've set the players, regardless of age, is to continue playing the football I know they're capable of while focusing on the basics. If we do that consistently, the results will come.

I'm pleased to welcome forward Archie Mullins to the club, and I'd also like to give a belated welcome to another exciting young player, Alex Morris.

Change is part of football, but having a motivated, hungry and committed squad, rain or shine, is vital if we are serious about building something sustainable and successful for the future.

AFC Stoneham

Club History

AFC Stoneham's history dates back to 1919, when the club was founded by soldiers returning from the First World War as Royal Engineers (Ordnance Survey Office) FC. Although records show Ordnance Survey Royal Engineers matches as early as 1888, 1919 is recognised as the club's foundation year. The team initially joined the Southampton Junior League, winning the Junior B Division in 1920/21 before moving into the Hampshire League. In 1923/24, the club merged with the Post Office team and became Southampton Civil Service, later separating again from the Royal Engineers. The club enjoyed early success, finishing runners-up in the Hampshire League West Division in 1924/25.

In 1929, the club simplified its name to Ordnance Survey, but the following decades were characterised by inconsistency and limited success. After slipping out of county football in 1934, the club spent 64 years in the Southampton Senior and Junior Leagues. There were occasional achievements, including Junior Cup successes and Senior Division One titles in 1982/83 and 1992/93. The club expanded by establishing reserve, veterans and youth teams, with the veterans enjoying particular success. In 1996/97, the first team won the Senior Premier Division and finally returned to county football.

The late 1990s marked a period of major development. A youth section was established, the Under-18s won their league in their first season, and the veterans continued to progress. However, the closure of the Civil Service Ground in 1999 forced the club to relocate, first to Lordshill Recreation Ground and later to Stoneham Park in 2002. The club struggled initially in the Hampshire League First Division and later competed in the newly formed Wessex League Division Three.

A major new era began in 2006 when the club changed its name to Stoneham, adding "AFC" the following year. The rebranded AFC Stoneham quickly achieved success, winning the Hampshire Premier League in 2007/08 and later adding the Senior League Cup. The club also won the Southampton Senior Cup in 2011/12 and successfully defended it in 2012/13. Following a merger with Granley Rovers FC, the club developed a complete football structure spanning youth to veterans.

TODAY'S OPPOSITION
AFC Stoneham

Promotion to the Wessex League came in 2015, followed by further progress both on and off the pitch. The club installed floodlights, entered the FA Vase and FA Cup for the first time, and enjoyed memorable cup victories.

In 2018/19, AFC Stoneham won the Wessex League Division One title and earned promotion to the Premier Division. The COVID-19 pandemic interrupted their first Premier Division campaign, but the club continued to challenge near the top of the table.

The 2024/25 season brought significant cup success, with AFC Stoneham winning both the Hampshire Senior Cup and Southampton Senior Cup, while reaching the FA Vase quarter-finals. The following 2025/26 season became the most successful in the club's history.

AFC Stoneham won the Wessex League Premier Division by 14 points, securing promotion to Step 4. They also won the Russell Cotes Cup and Southampton Senior Cup, before reaching Wembley in the FA Vase. In front of more than 3,000 of their own supporters, Stoneham defeated Cockfosters 4–2 on penalties, completing an extraordinary season and etching the club's name onto one of non-league football's most famous trophies.

Match reports for Southern Inclusive League opening games Sunday 4th Oct 2026

Ringwood Town B 2-1 AFC Totton C
A game of few chances. Katie defended well from the 1st minute helping keep the Totton attackers at bay. Richard Blake scored at the near post to take the lead then Totton equalised shortly thereafter. Stuart, Katie and Richard performed creditably in supporting the loaned players drafted in due to player absences. A loan player scored late on to make the score 2-1.

Ringwood Town B 0-0 Brendon66
Chances were at a premium in this one. The best chance fell to James Brown who forced a great save from the Brendon 66 keeper. Richard Blake had couple chances further on but with no luck.

Ringwood Town B 2-2 ST. Francis
Ringwood Town started slowly. St. Francis created several chances, scoring twice early on. Katie provided a great assist for Richard to make the score 2-1. Nearing the final whistle Ringwood equalised. James Brown, turning the Totton midfielder, made a quick darting run down the right side, and his shot was turned in by Richard. This meant the day ended with Ringwood Town B unbeaten.

Match reports for Southern Inclusive League

Ringwood Town A 1-1 Brendon 66 B
A very close game with Ringwood Town making a slow start. Brendon scored with good finish early on. A fortunate equaliser followed when the Brendon keeper's goal kick fell to Jordan Williams who had no problem slotting it home. Full credit then to Ringwood's keeper Ben Christopher who made a world class save to keep the score at 1-1.

Ringwood Town A 4-0 Hamble Purple
A game which Ringwood Town started brightly. Jordan scored early on to make it 1-0 then a few minutes later scored again with a long-range finish to make it 2-0. Another good finished later secured a hattrick for Jordan. New signing James Coe scored on his first start to make it 4-0.

Ringwood Town A 4-0 Hamble Red
Ringwood Town continued where they left off. An early goal from Jordan was followed with his second after a good left-footed finish. Hamble Red pressed but the defence of Williams & Damien held firm. James Coe scored the 3rd with neat finish then after few more attempts Kieran Luckham scored to make it 4-0. Hamble pushed but could not breach Ringwood's defence.

Ringwood Town A 0-3 Brendon 66 A
An impressive performance by Brendon with football which wouldn't look out place higher up the pyramid. Ringwood competed well but struggled to match their opponents.
