RINGWOOD TOWN FC
v
BLACKFIELD & LANGLEY FC

Tue 10 March 2026

Wessex League Div1

CHAIR'S WELCOME

A very warm welcome to the Ringwood Community Hub for this evening's Velocity Wessex League Division 1 fixture against Blackfield & Langley FC.

We welcome our visitors' players, committee members, and spectators, together with match officials, referee **Daniel Eziukwu**, and his assistants **Joshua Warren** and **Kevin Horder**.

We're committed to raising standards across the club, both on and off the pitch. Our recent run of form shows what patience, persistence and a calm head can achieve.

The belief in the work we're doing is paying off, and that gives us real confidence for the remaining 13 games and for the club's long-term future. Huge credit goes to Fran and his management teams, who continue to guide our senior sides along a pathway that genuinely delivers. The performances from our teenagers on Saturday were a standout example of that progress.

Away from the pitch, the committee is driving a five-year strategy built around a clear vision: to become the area's leading inclusive football club, offering opportunities for everyone while developing talent capable of powering our adult teams at the highest sustainable level.

It's an exciting ambition, but "sustainable" is the key word. Financial responsibility will sit at the heart of everything we do. How we manage and invest our resources will shape the club's wellbeing for years to come. Football offers plenty of cautionary tales, and we're determined to learn from them as we push forward with purpose and care.

Enjoy the game
Phil

MANAGER'S NOTES

The group seem to have turned a corner. The run of quick-fire games has forced us to get fitter faster after our poor post-Christmas form.

The game against Alresford was more than just a win for me. It was the next generation properly rubbing shoulders with the current one. In my three seasons at Town, it's one of the proudest moments I've had.

Fitting that Denys scored the last-gasp winner — and that 16-year-old Will Orchard picked up MOTM on his first Wessex start. We finished the game with seven teenagers on the pitch.

None of this happens without the strategic backing of the club, and the blood, sweat and tears of everyone connected to our brilliant development sides.

There will be tough days ahead of course, but we'll enjoy this run of form and hopefully keep it going against a resurgent Blackfield side.

Club History

The Watersiders, Founded in 1935

After playing in the war time Hythe and District League the Club joined the Southampton Junior League and in 1946 won the Division One title and appeared in the final of the Senior Cup losing to NDLC. However, the following season the Club won the Cup and were Southampton League West Division champions. After this with progression in mind, the Club applied to join the Hampshire League and made their debut in Division Three West in the 1950/1 season. Although title winners the following season, the Club did not move into Division Two until 1956/7. They remained in this division for the next four seasons but were relegated at the end of 1959/60.

Bad fortune lasted for 15 years as the Club dropped into Division Four, were promoted in 1974/5 after finishing third but dropped back again in 1979/80. Then in 1981/2 the Hampshire League reorganised and Division Four was swallowed up by Division Three and as runners up promotion was secured to Division Two.

After three seasons in Division Two, promotion was gained to the top division, overhauling run away leaders, Locksheath, with a last match win at Cowes. In the first season in the topflight the Club finished a credible tenth. In the following seasons the Club established itself as one of the most consistent teams in the league with eleven top six finishes including, three second places and then won the elusive Championship in 1997/8.

With the establishment of the Wessex League in 1986/87, the Club recognised that to compete against the best in local football, the long-term aim had to be elevation to the new league. With the emphasis for entry into the league being on facilities as much as ability on the pitch, negotiations were opened with Fawley District Council for a long lease on a ground which gave the Club the necessary security to develop it to the required standard.

Club History

The pitch at Gang Warily was identified and the Council provided a playing surface that is still to this day, the envy of many teams and the enthusiastic Committee set about bringing the ground up to the required standard. Development continues to this day.

The best opportunity for promotion came in the Championship year 1997/8 but the funds ran out to complete ground improvements, so second place Moneyfields were promoted. The Club's chance for promotion came two years later - a last match win at West Wight Mayflower earned the third place required and the dream had been realised after 50 seasons of Hampshire League Football. After 5 years in Wessex Division 1 the club were relegated to the new Division 2 in 2004.

The Club in 2004/5 became only the second club in Hampshire football to be awarded the FA Adult Standard Charter.

The 2008/9 season saw success return to the Club with promotion back to the top division of the Wessex League under the guidance of Jon Gittens. Jon continued for a 2nd season finishing the season mid-table. Jon left the club in the early part of the 2010/11 season and Assistant Manager Louis Bell was put in charge with the team eventually finishing in 14th position and 16th in the subsequent season.

The Club had in incredible 2012/13 season under the leadership of Ashley Vickers, winning the Sydenhams Wessex Premier league by 10 points, reaching the 4th Qualifying round of the FA Cup, losing 3-0 to Hastings United, and reaching the last 32 of the FA Vase.

In stark contrast, 2013/2014 season was the most tumultuous in recent years with a number of changes in playing, coaching and management throughout the season, leaving the club unsettled for the most part.

Blackfield & Langley FC

Club History

Taking on the manager's role mid-way through the season, Kevin Gibbens, assisted by Chris Farrell, managed to finish a very credible 6th. 2014/15 season started with John Robson taking control of the 1st team who started off brightly but with some injuries and a general failure to score goals, the season did not pan out as planned although the team still finished a credible 5th in the league and were Russell Cotes Cup winners.

Glenn Howes took the reins in his managerial debut in 2015/16, ultimately guiding the team to 3rd place behind Salisbury FC, missing out on the 2nd spot to Sholing with a defeat at Fareham Town on the last game of the season. The Watersiders also finished runners up in the Southampton Senior Cup, losing heavily to defending champions, Team Solent, made it to the 3rd round qualifying of the FA Cup, (losing to Maidenhead Utd) and were losing semi-finalists in the Russell Cotes Cup.

After another season of going close, Glenn was joined by James Wood and the Club surpassed the previous success of 2012/13, enjoying its most successful season in 2017/18, winning the Wessex Premier Division by one point in a very tight race with Andover Town and benefitted from the restructuring of Step 4 Leagues, gaining promotion for the first time to the Southern League. Season 2017/18 also saw two appearances at St Marys in both the Hampshire Senior and Southampton Senior Cup finals, unfortunately losing on both occasions to Havant & Waterlooville and Southampton FC, respectively. The Club also made a semifinal appearance in the Sydenhams League Cup and equalled the record in the FA Vase by reaching the last 32 but eventually losing to Bracknell Town in a midweek replay.

Success continued in 2018/19 with the Club winning Southern League South Division One and narrowly losing in the semifinal of the Southern League Cup. Success on the field of play together with hard work behind the scenes in connection with Ground Grading requirements has enabled another piece of Club history to be created with promotion to the Southern League South Premier Division.

Ringwood Town Disability Sun 1st March Southampton Inclusive League

The group went into these set of fixtures with bit of an injury crisis with only 5 available players from a squad 12.

Ringwood Town 0 St Francis Raiders 1

Ringwood really struggled to get a foothold in the game. With St Francis piling on pressure a lapse in concentration from defence and a goalkeeping mistake allowed a St Francis player to score inside the left hand near post. From then on Ringwood piled on the pressure with St Francis defending well making good blocks and clearances. With the game almost up Damien Dominey takes a long range shot which hits outside of the post which proved to be the last kick of the game.

RTFC

Ringwood Town 4 ST Francis Rovers 0

Ringwood dominated the game from start to finish. Damien Dominey scored a good first goal of the game with low good finish. Then his 2nd is likely to be contender for goal of the season when he lobbed the St Francis keeper from 25 yards out – on par with one of Lee Vint's great goals for the 1st team! Soon after he got his 3rd goal to complete the hattrick. As the final whistle approached the Ringwood keeper made his way up the pitch, squared the ball to Katie Brown who put ball into the empty net to score her first goal for the club!

Ringwood Town 3 Hiltingbury 1

Ringwood slowly grew into the game, scored early, then Hiltingbury equalised with well-timed finished low down on the right side. Moments later Hiltingbury hit a shot towards the left-hand corner of the goal. However, the Ringwood goalkeeper managed to get fingertips to the ball to push it round the post. Shortly after Mark Coward took ball from midfield, turned their defender then clinically scored. Shortly after the Ringwood keeper made a couple of good saves to keep it at 3-1.

Credit to the whole team given the injuries, illness, and absences. Brilliant throughout all the matches.
