CHAIR'S WELCOME

A very warm welcome to the Ringwood Community Hub for this afternoon's Wessex Division 1 fixture against Fawley AFC.

We welcome our visitors' players, committee members, and spectators, together with match officials, referee **Louis Stone**, and his assistants **Seth Lee**, and **John Bungay**.

We've reached that point in the season when inclement weather starts to play its part. The scorched pitches of August are now giving way to softer conditions, and pitch inspections once again become a regular feature of grassroots football.

For clubs across the country, there is always a balance to strike between getting games played and protecting pitches from damage that could leave them unplayable for weeks. It's a reminder of just how important quality playing surfaces are to our game, whether that's a well-maintained grass pitch or a modern 3G facility.

Here we're fortunate to have both. Our main pitch is expertly looked after by Pete Alvis, while our other grass pitches are maintained by the local council's grounds team. Their dedication and hard work throughout the year often go unnoticed but are absolutely vital to keeping football going. We're also grateful to AFCB CST for maintaining the 3G surface, ensuring it remains available for thousands of hours of football each season.

The reality is that demand for quality grass and 3G pitches continues to grow as participation in football increases. Across the country, clubs are working with County FAs and the Football Foundation to improve facilities and create new opportunities for their communities.

Having been through the process ourselves, we know these projects require patience, commitment and plenty of volunteer effort. Our own 3G journey took five years to bring to life, but the difference it has made to football in our community has been transformational.

To everyone involved in improving facilities at their club, keep going. It's a long road, but one that's well worth the effort.

MANAGER'S NOTES

I was incredibly proud of our efforts midweek. To take such a youthful side, with an average age of just 22, and perform as well as we did is a real credit to the players and the wider team who work tirelessly to nurture, support and enable their development and growth.

This is something we've worked diligently on together over the past four years. Everyone understands their roles, our shape and movements, and the culture and standards required. We've worked hard to build something together, and we finally have our own embedded **Ringwood identity**.

To overcome the challenges of missing the boat and a delayed kick-off at Cowes, yet still deliver a performance and get the win, made all the hard work and tougher times feel (almost!) worth it.

Attention now turns back to the league and, weather permitting, we have a pivotal fixture against Fawley to look forward to at home. The lads trained incredibly hard in the rain on Thursday, which was a brilliant indicator of their mindset, commitment and desire to keep pushing forward.

We're proud of the progress we're making, excited by what we're building, and looking forward to the challenge ahead.

TODAY'S OPPOSITION

Fawley AFC

Club History

The Club was formed as AGWI United in 1923 and joined the Hampshire League six seasons later. In 1949 they changed their name to Esso Fawley. They won Division Three of the Hampshire League in 1995 and reached the Premier Division in 1999.

In 2002 they changed their name again to Fawley AFC and joined Division Two of the Hampshire League in 2005. In 2010 they finished as runners-up and were promoted to the Premier Division.

Fawley sustained themselves into the premier division as underdogs every year and narrowly avoided the drop until the season 2016/17. The same year The Waterside Sports and Social Club closed due to financial difficulties, Fawley were relegated on goal difference.

In Division One Fawley has establish themselves as a solid team with the potential to upset the more glamorous teams. This has been proven by beating Shaftesbury, Stoneham, Hamble Club and Sholing to reach the Wessex League cup final in 2018. In 2021 reach the semi final of SSC and narrowing losing to a well organised Follands team.

Lee and his management team are in the process of rebuilding a team with a blend of experience Wessex League players combine with enthusiastic local young players. Their aim is to have a team that plays attractive and enjoyable football.

Over the last few seasons our club's small bunch of energetic committee members lead by Chairman Kev Mitchell have been working hard to upgrade the pitch and facilities and now keenly fund raising to build a new club house

The village of Fawley is dominated by the Oil Refinery which has been there since 1921. It was rebuilt and extended in 1951 and is the largest of its kind in the United Kingdom.

Ringwood Town Disability Match reports for Southern Inclusive League opening games Sunday 4th Oct 2026

Ringwood Town B 2-1 AFC Totton C

A game of few chances. Katie defended well from the 1st minute helping keep the Totton attackers at bay. Richard Blake scored at the near post to take the lead then Totton equalised shortly thereafter. Stuart, Katie and Richard performed creditably in supporting the loaned players drafted in due to player absences. A loan player scored late on to make the score 2-1.

Ringwood Town B 0-0 Brendon66

Chances were at a premium in this one. The best chance fell to James Brown who forced a great save from the Brendon 66 keeper. Richard Blake had couple chances further on but with no luck.

Ringwood Town B 2-2 ST. Francis

Ringwood Town started slowly. St. Francis created several chances, scoring twice early on. Katie provided a great assist for Richard to make the score 2-1. Nearing the final whistle Ringwood equalised. James Brown, turning the Totton midfielder, made a quick darting run down the right side, and his shot was turned in by Richard. This meant the day ended with Ringwood Town B unbeaten.

Match Reports

Ringwood Town Disability Match reports for Southern Inclusive League

Ringwood Town A 1-1 Brendon 66 B

A very close game with Ringwood Town making a slow start. Brendon scored with good finish early on. A fortunate equaliser followed when the Brendon keeper's goal kick fell to Jordan Williams who had no problem slotting it home. Full credit then to Ringwood's keeper Ben Christopher who made a world class save to keep the score at 1-1.

Ringwood Town A 4-0 Hamble Purple

A game which Ringwood Town started brightly. Jordan scored early on to make it 1-0 then a few minutes later scored again with a long-range finish to make it 2-0. Another good finished later secured a hattrick for Jordan. New signing James Coe scored on his first start to make it 4-0.

Ringwood Town A 4-0 Hamble Red

Ringwood Town continued where they left off. An early goal from Jordan was followed with his second after a good left-footed finish. Hamble Red pressed but the defence of Williams & Damien held firm. James Coe scored the 3rd with neat finish then after few more attempts Kieran Luckham scored to make it 4-0. Hamble pushed but could not breach Ringwood's defence.

Ringwood Town A 0-3 Brendon 66 A

An impressive performance by Brendon with football which wouldn't look out place higher up the pyramid. Ringwood competed well but struggled to match their opponents.
