We've reached that point in the season when inclement weather starts to play its part. The scorched pitches of August are now giving way to softer conditions, and pitch inspections once again become a regular feature of grassroots football.

For clubs across the country, there is always a balance to strike between getting games played and protecting pitches from damage that could leave them unplayable for weeks. It's a reminder of just how important quality playing surfaces are to our game, whether that's a well-maintained grass pitch or a modern 3G facility.

Here we're fortunate to have both. Our main pitch is expertly looked after by Pete Alvis, while our other grass pitches are maintained by the local council's grounds team. Their dedication and hard work throughout the year often go unnoticed but are absolutely vital to keeping football going. We're also grateful to AFCB CST for maintaining the 3G surface, ensuring it remains available for thousands of hours of football each season.

The reality is that demand for quality grass and 3G pitches continues to grow as participation in football increases. Across the country, clubs are working with County FAs and the Football Foundation to improve facilities and create new opportunities for their communities.

Having been through the process ourselves, we know these projects require patience, commitment and plenty of volunteer effort. Our own 3G journey took five years to bring to life, but the difference it has made to football in our community has been transformational.

To everyone involved in improving facilities at their club, keep going. It's a long road, but one that's well worth the effort.

Phil

MANAGER'S NOTES

Fran has enjoyed a well-earned break with his family this week and returns to the dugout today as we welcome Wessex League newcomers Sandhurst Town.

This promises to be a tough test. Our visitors have made an excellent start to life in the division and arrive sitting third in the table, a position that reflects both their quality and consistency.

There was understandable frustration following our midweek result. It felt like one of those evenings when, despite the commitment, effort and desire being evident throughout, nothing quite fell into place for us. The coaching team will have spent time reviewing the performance to identify the lessons to be learned.

The beauty of football, however, is that another opportunity is never far away. Today's game gives us the chance to respond positively, put things right and get back to the standards we know we're capable of producing.

Thank you for your continued support.

Enjoy the game

Phil

TODAY'S OPPOSITION

Sandhurst Town FC

Sandhurst Football Club was formed in 1910 and played in the Reading & District League until 1979 apart from a short spell in the East Berkshire Football League.

In 1979, the Club was elected into the Aldershot & District Football League. 1984 saw the Club finish as runners-up from whence they became founder members of the Chiltonian Football League and a stepping-stone toward becoming a senior club.

The best season in the Chiltonian Football League was in 1986-1987 when they finished in second place. In 1990 the Club applied for membership of the Combined Counties Football League and was granted senior status by the Berks & Bucks County Football Association. The first two seasons were disastrous finishing in bottom place on each occasion and only escaped relegation back to the Chiltonian Football League at the end of the second season due to the resignation of another member club. However, the form of the Club improved dramatically thereafter over several years with managers Peter Browning and subsequently John Underwood bringing the club cup and league success.

The first ground used by the Club was a field adjacent to the Bull & Butcher public house that may well have been used as the club headquarters. After a few years, a move was made to the Memorial Park where the Club remained until the 1996 close season, apart from a couple of seasons during the 1950s spent on a nearby pitch in St. John's Road.

The introduction of the National Lottery prompted an immediate bid for funding for a new ground in Bottom Meadow adjacent to the Memorial Park. With support and backing through additional matched funding from Bracknell Forest Borough Council and Sandhurst Town Council, the Club was successful in the first round of allocations by the National Lotteries Charities Board. The new facilities opened in August 1997 at a cost of £265,000. The club celebrated its Centenary season in 2010/11 winning the Combined Counties League Cup final and getting through to two other semi-finals.

TODAY'S OPPOSITION

Sandhurst Town FC

This year the club celebrates 110 years of football in the community. Whilst the CoVid-19 pandemic brought last season to a premature close in March and our planned anniversary celebrations/events to be put temporarily on hold there has been a lot of positive and exciting things happening in the background at the club.

Aimed at ensuring the longevity of the club for a further 100 years and beyond a major relaunch of the club and a project is in hand on two fronts namely significantly improving, upgrading, and enhancing our facilities at Bottom Meadow as well as placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst. Work began at Bottom Meadow in 2020 and we returned to a much-improved home for the start of the 2021/22 season.

In 2022 the club celebrated 110 years of football in the community. Covid-19 pandemic brought the 2021 season to a premature close and anniversary celebrations/events were cancelled. However, there was a lot of positive and exciting things happening in the background at the club. Aimed at ensuring the longevity of the club for a further 100 years and beyond, a major relaunch of the club was completed, namely significant improvements, upgrades, of the facilities at Bottom Meadow, placing a major emphasis going forward on the values of education and further enhancing the social and community value of sport in Sandhurst and throughout Bracknell Forest. Our state-of-the-art 3G pitch, the first of its kind in the UK, that was completed during the summer of 2023, at Bottom Meadow.

In 2023, Jordan Ive took over the reigns as first team manager and led the Fizzers to the Combined Counties Division One title and promotion to Step 5 into the Combined Counties Premier South. Jordan led the team until Xmas 2023 when he made the move up the football pyramid to manage at Step 3.

TODAY'S OPPOSITION

Sandhurst Town FC

For the start of the 2024/25 season, Adam Barnard became the new Fizzers manager and was joined by Carl Barrie and Lee Barefoot. Sandhurst Town ambitions remained high. However, ownership and operational changes in the running of Bottom Meadow hampered our progress and we could not muster enough points to avoid relegation back into Combined Counties Division One.

2025/26, we welcomed Bob Ryan as the new Fizzers manager to lead the Fizzers for the new campaign. At the end of the season Bob stepped down and we began the search for a new manager.

We are delighted that Carl Barrie has returned as the new Fizzers manager for the 2026/27 season. Carl, along with his management team will lead the Fizzers into a new era and a new league, after a change in league allocation we join the Velocity Wessex League for the first time.

Match Reports

Ringwood Town Disability Match reports for Southern Inclusive League opening games Sunday 4th Oct 2026

Ringwood Town B 2-1 AFC Totton C

A game of few chances. Katie defended well from the 1st minute helping keep the Totton attackers at bay. Richard Blake scored at the near post to take the lead then Totton equalised shortly thereafter. Stuart, Katie and Richard performed creditably in supporting the loaned players drafted in due to player absences. A loan player scored late on to make the score 2-1.

Ringwood Town B 0-0 Brendon66

Chances were at a premium in this one. The best chance fell to James Brown who forced a great save from the Brendon 66 keeper. Richard Blake had couple chances further on but with no luck.

Ringwood Town B 2-2 ST. Francis

Ringwood Town started slowly. St. Francis created several chances, scoring twice early on. Katie provided a great assist for Richard to make the score 2-1. Nearing the final whistle Ringwood equalised. James Brown, turning the Totton midfielder, made a quick darting run down the right side, and his shot was turned in by Richard. This meant the day ended with Ringwood Town B unbeaten.

Match Reports

Ringwood Town Disability Match reports for Southern Inclusive League

Ringwood Town A 1-1 Brendon 66 B

A very close game with Ringwood Town making a slow start. Brendon scored with good finish early on. A fortunate equaliser followed when the Brendon keeper's goal kick fell to Jordan Williams who had no problem slotting it home. Full credit then to Ringwood's keeper Ben Christopher who made a world class save to keep the score at 1-1.

Ringwood Town A 4-0 Hamble Purple

A game which Ringwood Town started brightly. Jordan scored early on to make it 1-0 then a few minutes later scored again with a long-range finish to make it 2-0. Another good finished later secured a hatrick for Jordan. New signing James Coe scored on his first start to make it 4-0.

Ringwood Town A 4-0 Hamble Red

Ringwood Town continued where they left off. An early goal from Jordan was followed with his second after a good left-footed finish. Hamble Red pressed but the defence of Williams & Damien held firm. James Coe scored the 3rd with neat finish then after few more attempts Kieran Luckham scored to make it 4-0. Hamble pushed but could not breach Ringwood's defence.

Ringwood Town A 0-3 Brendon 66 A

An impressive performance by Brendon with football which wouldn't look out place higher up the pyramid. Ringwood competed well but struggled to match their opponents.
